

The Daytona Beach Swim Team (DBS) is seeking sponsors for our team. Daytona Beach Swimming is part of the USA Swimming Organization, which is the feeder program to the United States Olympic Swim Team. Most of the top local High School swimmers in the area are members of DBS. Through their year-round hard work and dedication, these swimmers have excelled at the High School level in their Conference, District, Regional and State Championship Meets, breaking school records and achieving All-American status. Many DBS swimmers who are not yet in High School have achieved Junior Olympic status. Daytona Beach Swimming has also launched many successful collegiate swimming careers over the years, and has National level Masters Swimmers as well. This year DBS has expanded our reaches even further by encompassing all things Aquatics and have added a Water Polo program and a Diving program to our portfolio. We want to be able to continue the tradition of excellence set by our own DBS Olympic Champion and World Record Holder Ryan Lochte.
