

Hello there Coaches and Student Athlete Supporters:

My name is Kerri Lightfoot, and I will be coaching the divers at Daytona State College next year. The Swimming and Diving program is new to Daytona State College, but we are excited to be getting our program up and going. Our one and only college diver completed 5th at Nationals. Our NJCAA Women's Swimming and Diving Team completed 3<sup>rd</sup> nationally, and our NJCAA Men's Team completed the season very competitively receiving 2<sup>nd</sup> place Nationally. Coach Steve Lochte, 2010 NJCAA's Coach of the Year, and Coach Kristen Lochte led the Falcons in a very solid first year out and we are proud of our athletes.

As we move forward to next year, however, we are looking for new diving recruits. As previously stated, diving is new to this area, and we are hoping to build the future of the Falcon Swimming and Diving Program. Daytona State competes NJCAA, which is not as intensive competition as found with USA diving, but we would very much like to up the expectation and quality of the diving in this arena.

Understanding this level of competition, I am asking if you may know of any interested and talented divers and/or athletes that may be looking for an opportunity to join us next year with Daytona State College. There is no way of knowing where the perfect fit might be unless I make this simple inquiry.

I am reaching out to local, Florida coaches to SIMPLY ASK for you to forward my contact information to any graduating seniors who may "fit the bill" and may just be waiting for an opportunity like this.

I appreciate your attention to this matter and your support of local divers. If you have any questions, please feel free to contact me at any time.

Thank you in advance,

Kerri Lightfoot  
Daytona State College Diving Coach
